Please include your Facebook and/or Instagram handles on the entry forms as appropriate.

Your attention is particularly drawn to the provisions of clause 31 to clause 34 (limitation of liability).

Online Applications are available via the website, for entry to all Livestock Competitions, Trade and Market Lane Stands, Food Market Stands, Catering Stands (by invitation only), Rural Crafts Stands and Classic Cars.

Rural Broadband will provide WIFI for Show Day to enable all Traders, Exhibitors, Caterers to use credit card and other facilities. All Stallholders, Showground Exhibitors and Show Attractions:

11. It may not be possible to provide a full plan of the Showground until Monday 18th August 2025 and we will try to have this also available on the website, on show signage, and in the Leaflet on Show Day. The allocation of stand space will be made at the discretion of The Aylsham Show. Every effort will be made to meet the specific wishes of exhibitors with regards to position without causing unfairness to others. Space reserved must include measurements for guy ropes and signs. Marquees displaying equipment, signs and ropes, etc must not encroach on to the avenues or adjoining pitches.
12. All sites will be clearly numbered and a site plan by Monday 18th August 2025 will be located at the Showground Office (on the left near the top of the main track). The pitch number and measurements should be checked on arrival. If there are any errors, please check with the Showground Office before erection commences. Stand number plates must not be removed.
13. Access is allowed from the Wednesday prior to the Show between the period 8.00am and 6.00pm, but the right is reserved to restrict or refuse vehicles to the Showground at any time. You would be advised for the reasons for this by email and could be at very short notice. Stand Holders may have entry to their pitch outside of these times on the Sunday prior to the Show by advising the Showground Office which is manned for the two weeks prior to Show Day itself.. For those wishing to camp overnight before Show Day, please obtain prior permission from David Hitcham - Event Co-ordinator (See Clause 22 which also applies to overnight camping). Head Stewards for each area of the Show will also be on hand prior to Show Day to ensure you are correctly sited.
NB: All stands and display areas must be fully erected and operational by 8.30am at the latest on Show Day. You are expected to remain with your Stand until 5.30pm.

14. The Aylsham Show will cut the grass sometime during the week prior to the show, weather conditions permitting, after which date it is the exhibitor's responsibility to attend to any further grass cuttings that may be required on their stand. NB: if you are mowing the grass on your Stand, you must dispose of the cuttings off site (to comply with National Trust regulations) and/or the Show will provide a receptacle for disposal on site. Please enquire at the Showground Office as appropriate.
15. The Aylsham Show and National Trust must approve of any necessary excavations or breaking of ground before digging commences. Exhibitors will need to verify that there are no private water supply pipes in the vicinity of the planned excavations. Excavations, broken or damaged grass must be made good by the exhibitors to the full satisfaction of The Aylsham Show and National Trust within one week of the Show. In the event of any failure to comply with this regulation, The Aylsham Show will undertake this work and charge any expense to the exhibitor.
16. Some stands may back onto treed areas. No parking or display is permitted underneath the tree cover and the plots are located to avoid the need for this. Trees will have been inspected by National Trust prior to the Show taking place.
17. Drones are not allowed on site without the prior consent of the National Trust.
18. No Trader or Exhibitor is permitted to sub-let part or the entire stand without the prior written consent of The Aylsham Show.

A Questionnaire/RA Form and any other other enclosures, will be sent out with the relevant Stand Application Form, and you will need to complete all of these, as this will provide the Show with relevant information, such as marquees/gazebos being of flame resistant material, Gas appliance and cylinder Certificates, and PAT Testing Certificates for electrical equipment. Please remember that there is no such thing as NO RISK, especially where vulnerable groups such as children or the elderly are concerned.
22. Every stand must also be risk assessed for fire safety and if identified as appropriate, equipped with firefighting facilities which must be accessible and maintained in a functional condition (Please see Appendix 2 with the Questionnaire/RA Form). Any stand which has LPG will be deemed as requiring firefighting facilities. Specific Cattle Regulations:

91. All Cattle exhibited at the Show would normally be from Herds entered in the register of Attested Herds at the date of the Show. A Segregation Policy may operate at the Show.
92. Competitors whose herd's attested status is withdrawn after the date of entry may reclaim their entry fees, if need be.
93. Confirmation of health status of all animals must be shown on entry form. See BVD Policy below regarding Bovine Viral Diarrhoea (BVD):

"All cattle attending the Show are required to have either been tested negative for BVD antigen (virus) or come from a CHeCS accredited BVD-free herd. Evidence is required prior to the Show which can be either:

An in-date CHeCS certificate showing BVD accreditation, or

An individual animal antigen negative test result for all entries. This can be by blood sample or ear tag and can be done at any point in the animal's lifetime. Please note, antibody results will not be accepted.

While this will prevent persistently infected animals attending the Show, we appreciate we cannot completely eliminate the chance of acutely infected animals attending. We therefore advise that you discuss BVD vaccination with your vet.

Please email BVD evidence to: cattle@theaylshamshow.co.uk
